

**641—80.3(135) Contractor assurances.**

**80.3(1)** The contractor may directly provide or subcontract all or part of the delivery of essential public health services and public health interventions.

**80.3(2)** The contractor shall make certain the following:

*a.* A work plan is submitted annually through an application process that identifies the intended public health interventions and essential public health services for the designated fiscal year;

*b.* Staff are available to meet the core public health functions, deliver essential public health services, and implement the public health interventions outlined in the work plan;

*c.* As applicable, contractors will assure that policies and procedures are available for public health interventions and essential public health services identified in the work plan;

*d.* Fiscal accountability of funds is monitored;

*e.* Contract-required documentation, including performance metrics, is submitted by the established deadline;

*f.* A local appeal process is available for public health interventions identified in the work plan; and

*g.* All applicable local, state, and federal requirements are met.
